Dear Mr. Renick:

I am very glad that you have decided that I was truthful with all my dealings with the Social Security Office and that I do not owe the government any money.

As I already stated on the day of the hearing, December 16, 1970, I do believe in good conscience that the government owes me \$1,119.60 in benefits that I didn't receive while I was receiving benefits and at least four more full monthly benefits to cover the period that I was unemployed due to the Social Security investigation which most likely also involved the police and made me lose my good job with ITT since there isn't any company that wants to have an ex-mental patient in its staff or an ② complication with the government or authorities. ③

damages
Also, as I already stated at the hearing, the Social Security office has caused me great anguish, fear, mental suffering, family problems and ruined my good credit by stopping payments several times during 1966 and 1967 while I was hopelessly abroad with my wife and six children and I couldn't do any work to help my situation.

As you already know, I had a Ready Credit availability with the 1st National City Bank, Acct. #81126384 which was ruined because of the stop payments. Also, I had a car loan with Manufacturer-Manover Trust Co., Acct. #2445-3526, Macy, A & S, Sterns which were all also ruined because of the stop payments.

annuement
In December, 1970, I tried once again to reopen a Ready Credit with First National City Bank in the amount of \$1500 so that I can build two rooms in the basement for my children since we have only three bedrooms available for eight people, no toilet facilities in the basement and no place for the children to play except in a cold cement floor.

Conclusion →
→
So, as you can see, decency would urge the government to see that it has an obligation to correct an injustice and reimburse \$1,119.60 in benefits not received and 4 months benefits for unemployment due to Social Security investigations and some extra to compensate for the destruction of a good credit rating as mentioned above so that the children will not suffer any more hardships and can have a place to sleep and play.

Enclosed are First National City Bank letter dated December 31, 1970, Manufacturers Hanover Trust Company letter dated August 27, 1969 and my letter to the Credit Bureau dated January 11, 1970.

I hope to hear from you soon and that in God's name you can remedy the wrong committed.

Sincerely yours,

Peter T. Collaso

Claims for damage to or for loss or destruction of property, or for personal injury, must be signed by the owner of the property damaged or lost or the injured person. If, by reason of death, other disability or for reasons deemed satisfactory by the Government, the foregoing requirement cannot be fulfilled, the claim may be filed by a duly authorized agent or other legal representative, provided evidence satisfactory to the Government is submitted with said claim establishing authority to act.

If claimant intends to file claim for both personal injury and property damage, claim for both must be shown in item 10 of this form. Separate claims for personal injury and property damage are not acceptable.

The amount claimed should be substantiated by competent evidence as follows:

(a) In support of claim for personal injury or death, the claimant should submit a written report by the attending physician, showing the nature and extent of injury, the nature and extent of treatment, the degree of permanent disability, if any, the prognosis, and the

period of hospitalization, or incapacitation, attaching itemized bills for medical, hospital, or burial expenses actually incurred.

(b) In support of claims for damage to property which has been or can be economically repaired, the claimant should submit at least two itemized signed statements or estimates by reliable, disinterested concerns, or, if payment has been made, the itemized signed receipts evidencing payment.

(c) In support of claims for damage to property which is not economically repairable, or if the property is lost or destroyed, the claimant should submit statements as to the original cost of the property, the date of purchase, and the value of the property, both before and after the accident. Such statements should be by disinterested competent persons, preferably reputable dealers or officials familiar with the type of property damaged, or by two or more competitive bidders, and should be certified as being just and correct.

Any further instructions or information necessary in the preparation of your claim will be furnished, upon request, by the office indicated in item #1 on the reverse side.

IAD-43
SSA Case No. 75-23

Mr. Peter T. Collaso
790 East 22nd Street
Brooklyn, New York 11210

Dear Mr. Collaso:

After considering all of the evidence in your case, the Department Claims Officer disallowed your claim for payment for your nervous condition.

In order for a claim to be allowed under the Federal Tort Claims Act, it must be established that the property damage or personal injury alleged by the claimant was the result of negligence on the part of the Government or its employees. The facts surrounding your accident do not establish such negligence.

If you are dissatisfied with this determination you have two alternative courses of action, either of which must be taken within six months from the date of this letter.

First, you may request that your claim be reconsidered by the Department Claims Officer. This request for reconsideration must be in writing and forwarded to me at Room 1219, Annex, Baltimore, Maryland 21235.

Your second remaining remedy is against the United States. This may be done immediately or after reconsideration by the Department Claims Officer. You must file suit in the appropriate United States Federal District Court within six months of the mailing of this notice.

Sincerely yours,

Ernest J. Weiss, Jr.
SSA Claims Officer

Defendant

Plaintiffs, Peter T. Collaso, Charlotte L. Collaso, Peter
Charles Collaso, Joseph Carl Collaso, Jane Carol Collaso,
David Christopher Collaso, Mary Charlotte Collaso and Paul
Michael Collaso, for their complaint against the defendant,
allege as follows:

- (1) Plaintiff is an American citizen, domiciled within
the Eastern District of New York, who is an employ-
ant by profession. On December 5, 1955, the
Security Bureau made a formal determination that the
Plaintiff was entitled to disability insurance.

benefits due to a nervous breakdown in February 1961.

It established the month of August 1965 as the first date of entitlement and commencing that date.

(2) Between December 5, 1965 and to September 2, 1968, there were several stop payments and delays in issuing benefits by the defendant due to clerical errors which caused the plaintiff and his family many agonies, family quarrels, made the plaintiff's six children nervous and deprived them of the basic needs of existence, food, shelter and clothing; also, caused the plaintiff's credit rating to become bad and ruined for the future since Macy's, Manufacturers, Hanover Trust, First National City Bank, Abraham & Straus, Sterns reported lack of payment to the credit bureau.

(3) The plaintiff has sought legal aid and advice from Legal Aid and Legal Services Corp., but has been turned down since these agencies do not want to sue the defendant which is against the 14th Amendment and the 5th amendment of the Constitution of due process of law; also refer to 73C63 in which the government made delays after delays in a just settlement on a legal technicality and even after that didn't obey its law Title 28, United States Code SS 2675 (a).

(4) The defendant has also ruined the future and has committed character assassination by its investigation of the plaintiff.

(5) The plaintiff has also been discriminated against obtaining a good job and supporting his family either due to age or items in (4) above.

The plaintiff demands a trial to collect a minimum of \$100,000 damage for all the agonies, character assassination, mental, family quarrels due to lack of money, not having due process of law and job discrimination.

WHEREFORE, the plaintiffs demand judgment against the defendant in the sum of \$200,000 together with the cost and disbursement of the action.

Plaintiffs,

v.

MEMORANDUM and
ORDER

DEPARTMENT OF HEALTH, EDUCATION
AND WELFARE, UNITED STATES
GOVERNMENT,

APR 21 1976.

Defendant.

-----X
COSTANTINO, D.J.

This is an action brought under the Federal Tort Claims Act for damages resulting from delays and the stopping of Social Security benefits between December 1965 and September 1968. Defendant moves for judgment on the pleadings.

Tort claims against the United States accruing prior to January 18, 1967, are barred unless an action is begun within two years after the accrual of such claims. 28 U.S.C. § 2401(b). No District Court action was begun in this matter until November 1, 1974. Thus, insofar as plaintiffs are alleging causes of action accruing prior to January 18, 1967, their claims are time barred.

A tort claim against the United States accruing on or after January 18, 1967 is barred unless it was presented in writing to the appropriate Federal agency within two years after such claim accrued. 28 U.S.C. § 2401(b). A claim is deemed presented when the Department of Health, Education and Welfare receives an executed Standard Form 95 or other written notification of an incident accompanied by a claim for money damages in a sum certain for damage to or loss of property, or for personal injury alleged to have occurred by reason of the incident, 45 CFR § 35.2. Here, plaintiffs' papers show that no written claim for a sum certain was made until January 21, 1971 when Peter Collaso sent a letter to Mr. Myron Renick of the Department of Health, Education and Welfare. Insofar as plaintiffs are alleging causes of action accruing between January 18, 1967 and September, 1968, these actions are also barred by plaintiffs' failure to make a claim within the two year period allowed by statute. Defendant's motion for judgment on the pleadings is granted. So ordered.
